

# Join the Cape Atlantic Conservation District's 2025 Local Working Group Sessions

The 2025 Cape May County and Atlantic County Local Working Group requests your participation to identify important natural resource issues, concerns, and opportunities. The purpose of this local working group is to provide information to help direct technical and financial resources for conservation programs and efforts locally and across the State. Your insight and input will be very much appreciated. A report of findings will be provided to all participants.

**Please choose one of the following options to register.**
