I, the undersigned, am requesting an exemption from the State of New Jersey Soil Erosion and Sediment Control Act, Chapter 251, P.L. 1975.

The proposed activity consists of the following:

_____ Commercial construction (including utilities, public facilities, and demolition projects) with a total land disturbance less than 5,000 square feet in area.

_____ Construction of a single family dwelling or demolition of a single family dwelling exempt under the guidelines provided in the attached "Definition of a Project Single-Family Dwelling Lots Flow Chart". Documentation of municipal and/or county subdivision approval dates is required.

_____ Clearing and grading of land for agricultural or horticultural activity. This applies only to cultivation and not to the construction of buildings, greenhouses, etc.

**I have enclosed a copy of all supporting documentation and plans with this application.
Also enclosed is check # _____ made payable to Cape Atlantic Conservation District
in the amount of \$90.00.**

I understand and agree that if the activity I propose changes from the category(s) noted in this application, it will render the exemption null and void, and will require a re-assessment of my project by the District.
