

# The New Jersey Envirothon

The Envirothon is a dynamic hands-on environmental education event for high school students (grades 9—12).

## Benefits for Students:

- \* Environmental Awareness
- \* Team Building
- \* Youth Leadership Skills
- \* Environmental Design Challenges
- \* Meet Like-minded Students
- \* Scholarships and Awards
- \* Connects Classroom Learning to Real World Problems
- \* Interaction with Natural Resource Professionals

## Benefits for Educators:

- \* Supports Core Curriculum Standards
- \* Professional Development
- \* Environmental Leadership
- \* Awards

## Competition Structure

Students prepare throughout the school year as a team.

Teams of 5 compete at a one-day event in early May.

Test structure will include both a written and an interactive problem-solving section.

Six testing stations include:

- \* Soils
- \* Forestry
- \* Aquatics
- \* Wildlife Ecology
- \* Current Environmental Issues
- \* Team Presentation

**THE 2025 NEW JERSEY  
ENVIROTHON  
WILL BE HELD AT:**

**Burlington County Soil  
Conservation District**

**1971 Jacksonville-Jobstown Road  
Columbus NJ Burlington County**

**Saturday May 17, 2025**

## Awards and Recognition

All students receive certificates of participation and NJ Envirothon T-shirts.

The NJ Association of Conservation Districts will award \$1,000 Scholarships to the members of the first place team.

The **first—third** place teams will also receive a plaque in honor of their achievement.

Teams with the highest score in each of the six categories will also receive a plaque for their achievements.

The first place team will represent New Jersey at the 2025 NCF Envirothon which will be held at (Mount Royal University, Calgary, Alberta, Canada July 20 - July 26, 2025). Some Travel expense assistance may be available from the NJ Association of Conservation Districts.

## 2025 Current Environmental Issue

Roots and Resiliency:  
Fostering Forest Stewardship  
in a Canopy of Change

NJ Department of Agriculture

NJ State Soil Conservation  
Committee

NJ Association of Conservation  
Districts

USDA Natural Resources  
Conservation Service

NJ Department of Environmental  
Protection

Rutgers Cooperative Extension

### A Message From the Sponsors

The conservation agencies and organizations who sponsor this program are dedicated to promoting awareness of the need to conserve and manage our soil, water and related natural resources, and conduct public programs to achieve this goal.

The Envirothon provides an educational format through which students can learn more about natural resource management, the environmental benefits which can result and the programs which can promote these benefits.

The sponsors of the Envirothon encourage your participation.
